“ I would like to share a memory I have about my brother-in-law Bill. Bill had such a wonderful personality and attitude. He enjoyed entertaining for people by singing and playing his guitar. He had such a love and devotion for Nancy his “Hun” as he always called her . When we visited he would go into his room and write me a” love note” as he called it . He would scribble on the paper and hand it to me. As soon as Emily went to college , he would hand me the notes and they were no longer mine it was something that I needed to give to Emily . He always said “where’s Emily “. He really had such a kind soul. I loved him and I will miss him 🙏❤️

“ Uncle Bill taught me so much about compassion and patience for others. I loved his gentle spirit and loving energy. When I would visit him, he would play guitar, show me his radio, and draw me pictures. I have many memories with Uncle Bill that I will treasure forever. I know that Grandma and Grandpa welcomed him to heaven with open and loving arms, always protected. I love you Uncle Bill ❤️ May your soul rest peacefully 🙏 Love, Emily

“ I started at New Horizons Madison Heights in 2017. Bill and his housemates would always come to the front for pick up. Everyone would greet me and Bill would come right to the front desk counter lean in and say “how ya doing kid.” Me being well into my 40’s enjoyed that and took an instant liking to him. Bill was always kind and loved to joke with the caregivers he liked. Bill always spoke his mind so candidly his warm, wonderful presence will be a deep loss to all of us at the Madison New Horizons. Rest easy Mr Bill and have that dance with your Hon. You will always live on in our hearts and memories. ❤️
