“ Although I never met Mr. Klein personally, I will always be grateful for the displays of his John Deere tractors during the Armada Fair time. My son loved to go around and around the circle driveway so many times- we thought the family would come out and make us leave! Thanks for sharing all of his beautiful treasures- and know how happy Mr. Klein made many children.

“ My father was an inspiration to every person he touched. He was a good samaritan to all that needed him and asked for help. I loved him for all that he brought to my life, he supported me in my choices during my time away from the family. I have never forgotten how he would ask "Do you need anything?". The gifts he is to me is strength, committment, love, honesty, integrity, trust and perservance. He lived his word, his word was gold. You are never ever going to be gone from our lives. You will live on with your teachings. We love you very much. Love Always, Karen

“ What can you say about a man that worked tirelessly to provide for his family? Bill Klein was a good man, and it goes without saying that he had a big heart. I'm proud to share some of the same interests that he had: hunting, fishing, construction, big trucks/heavy equipment, and last but not least, cheese crackers : Thanks for the memories, Gramps. “ Gramps..Where do we start, I will never forget the first time I met you when Michael brought me to the farm. My first impression was a lasting impression of a strong and very giving man who always was thinking of others before himself. I know that Michael looked up to you so much.You fought through so much that life threw at you, and you overcame more than most could ever. I know that the kids and I will miss you very much. We will forever hold in our hearts the last words that you spoke when we were there to see you..how fitting it was John Deere!!! I know that you are now with Michael watching over us and keeping us safe. We will never forget you EVER, always in our hearts

“ My Grandfather, Bill, was a wonderful gift to me. A father figure when I needed one, a shoulder to rely on when I needed it, and swift kick in the butt when I wasn't carrying my weight! The other gifts he was to me were: Integrity, Hard Work, Understanding, Ambition, Playful, silly, and always willing to say what's on his mind and what he thinks! A true honest soul. I love you, Gramps!
