“ Bill will surely be missed. I hope his family & close friends will take comfort in knowing that many who passed before him lovingly greeted him into the hereafter. I have a feeling that my sister, Pepper, was one of those greeting him. Bill & Pepper shared a lot of laughs & called each other every so often to lift each other's spirits. After my sister's passing we carried on that tradition of phone calls filled with laughter. I will always remember Bill as a happy soul & will cherish our talks together.

With sympathy,
