“ Uncle Bill was a very good uncle which I was fond of. I respected the way in which he raised his family. As a little girl I remember he was very strick in the way he raised his family which must have been good because he raised a fine family. We love him and will miss him.....

“ Dear Colette and Family, Bob and I send our most sincere condolences the entire Kove Family. We will always cherish the wonderful memories of the special times we were able to spend with Bill. Bob & Bill; so many VFW and Cootie events; finding a corner off by themselves and solving the worlds problems. If one was not going to attend an event, then the other was not going to be dragged there either! Bill was such a great guy. It was truly a special joy to have known him. God Bless Bob & Judy Williamson

“ I have fond memories of Uncle Bill.....he was a quiet man. When I was a little girl, I remember he didn't say much when I was around. And as a little girl, I thought he was just the most handsome man, like a movie star, I would think. I wanted to grow up and marry a man just as handsome! I wanted them to wear a military uniform like he did, too. I can remember visiting the family even when they lived on the base. The last visit to their home was in Madison Heights, many years ago. This dashing, quiet man was my favorite uncle. God Bless him dearly. I have a surgery scheduled for this Thursday, so not sure if I can make it down there

“ I am so sorry to hear that Uncle Bill passed away. I can not make it to his funeral. I moved out of Michigan. I remember the times he took me out on the cabin cruiser in lake st clair. We went swimming out in the middle of the lake near a sand bar. To me at least it felt like the middle. Not sure what age I was. I remember coming back in the pitch dark and my imagination going. Thinking about hitting something in the water and sinking. Remember I was a little kid. I was amazed that Uncle Bill could find his way back in the dark. Uncle Bill gave me great childhood memories. I will always endear those times. I wish all of the Kove family my deepest Sympathy. My prayers are with you. With Love, Tim & Deb Bago
