“I have known Will since July 2008, when I started at Trott Law. Will was a humorous character. He and I did not work together on the same team, but I considered him a coworker. He would encourage me and make me laugh when I was in his presence. Rest In Peace and Power, Will! God comfort, strengthen and bless your family! 🙏🙏

“ My heart is hurting from Will's passing. We started on the same team at Trott back in 2003 and ended working together again in 2018. I will also remember his jokes, our fun Karaoke nights and his kind heart. I will miss the Potato Chips he would bring back from his visits to Iowa and his Mom's Snickerdoodlesthe office will not be the same without him. Sleep well Will, while the Angels carry you to your Heavenly home.

“ We so appreciated all of Will's help on our production of Job and the Snake five years ago. From the book of Job: "Oh, that my words were written. Oh, that they were inscribed in a book. Oh that with an iron pen and lead they were engraved in the rock forever. For I know that my Redeemer lives, and at the last He will stand upon the earth And after my skin has been thus destroyed, yet in my flesh I shall see God, whom I shall see for myself and my eyes shall behold, and not another." Job 19:23-27.

“ Clara Will is remembered so fondly I can just see him up there ushering and welcoming everyone just like he did at church. I am up north with the girls and my daughter saw it on St. Paul's face book and told us, we all just cried we miss him so much but we know where he is and he is so loved. I pray your alright and will look forward to seeing you soon.
