“ Looks like I'm a decade late. I worked with Bill at Beaumont years ago but I remember him well. An extremely charming man — kind, friendly and always such a pleasant disposition. I'm sure he's missed by many. Sending best wishes to his family. RIP Bill, you're not forgotten!

I visited Jean and Bill at their home about a year ago and he was genuine and smiling, as usual! Bill is part of the Amerisure/Michigan Mutual 100+ year legacy. “ Bill has been a part of the Beaumont Emergency family for so long it is with a heavy heart that I received the news of his death. Bill was such a gentle caring man and had such a wonderful way of interacting with people. Bill would arrive ready to work in his red jacket and help in any way he could. He went about his "job" professionally and graciously with each person he interacted with. He has touched so many patients and staffs lives we are all better for having known him and his example of excellent customer care, calm demeanor and gracious way. I loved when he smiled and his eyes would twinkle. Bill will truly be missed but heaven is lucky to have this angel in a red jacket.

“ I like to think of Bill as one of my first friends when I started at Beaumont. It was my first job and I was only 18. He was always there with a smile and encouragement if needed. I know first hand that he "worked" harder as a volunteer in the Emergency room than some people who were paid to be there. He was a lovely man. I will miss him. God blessings to his family.

“ Bill was always so very kind and caring. Whenever he was working you knew that it would be a great day. That he could always be relied upon to help out. Even after I left the E.C. and I would see him around the hospital. He was kind enough to inquire as to how things were going for me. He was always chipper and upbeat.

“ *Bill was one of the most wonderful volunteers at Beaumont Health in Royal Oak. He always had a smile on his face and enjoyed working in the Emergency Center. The EC is always busy, but Bill didn't care. Bill was always there with that smile on his face and seeing him there made my day. My prayers are with your family during this time. Just know that Bill made a difference in every family or patient interaction he made at Beaumont. Rest peacefully Bill.*

“ Dear Jean, I was saddened to see Bill's obituary note from Ross. All of my family send their sincere condolences to you and the kids and grandchildren. I will miss seeing him on his bike and with the tape at the standing broad pit on Sports Day this August long weekend. There he was a source of quiet encouragement to all the kids. He had an extra smile when I called him Speed, as our family always did. It was a nick name that always brought back good memories of Mate and their dad and mine. I think Speed felt the same. I am sure you will have many nice memories to help you through this sad time. My love to you all. Frances

“ I am sorry for your family loss. Found memories of a kind man. Kind to all the neighborhood kids... shared his pool - " if the green flag is out" and could always be seen doing something athletic around the neighborhood. May your family find peace in your memories and healing with time.
