“ We just heard about Uncle Willie's passing. As a young girl, my Mom, Rosie (Willie's sister) let me drive up to Shingleton in the car with Willie and Uncle Joe. What a hoot that was! He'd tell me stories all the way up to the U.P. and we'd stop off at a bar along Lake Michigan and I'd get a coke and get to sit at the bar. I've been gone from Michigan for over 40 years now, but I have good memories of Willie. So grateful he had a wonderful wife and family to love him and surround him in his later years. I know you all were a gift to him. I know my Mom loved her little brother dearly. Rest in peace Uncle Willie.

“ I will miss your tight hugs and hold hands. Your a great grandpa. I loved spending the night and playing rumi with you. If Derek or I ever took a long time, you would always tell us "you think long, you think wrong". I miss and love you grandpa. I know we have a beautiful guardian angel looking over the family now. ❤️❤️

“ A wonderful man, who I will never forget. Many great times deer hunting in Shingleton. Getting stuck in the snow with Joey's 4 wheeler while plowing through snow drifts, and having to winch ourselves out, laughing and giggling until our sides hurt. I shared some of the best times of my life with you. Rest in peace my friend, until you and I can go "hunting" again I will miss you ...
