“ Cynthia, over the past week you and Bill have been in my thoughts constantly. I feel blessed to have met such special people in my life. You know, doing what I do for a living, I meet many people, but very few do I become as attached to as I did you and Bill. I know that Bill may not have always enjoyed hearing my swallowing and food texture recommendations many people are less than excited to eat puree food!!! but he always complied with the recommendations, or at least he made me feel that he was happy to. I always had his safety in mind, but as we worked, you two became very dear friends. I know that Bill is up in the heavens NOT EATING PUREE FOOD, but steak at the Lord's table. I wish for him all the eternal happiness, forever. And for you, though this is a lonely time, I wish peace to your heart, as you envision the peace that Bill must now be experiencing. Please remember that God promises us that death is only a brief separation, and that we will all meet again in heaven. I just hope that Bill has mercy on me when I get there, and doesn't have me eat puree food. I love you and you will continue to be on my mind and in my prayers. kerri.

“ Cindy Thank You for taking good care of my brother . I will never forget Bill he was not only my brother he was my friend . Thou he couldn't walk he took my hand and showed me the way . Thou he couldn't speak clearly he spoke clearly to my heart. When I last spoke to him I asked him was there any place he would like to go and he said no . I'm right here with Cindy the Love of My Life and that's where I want to be . Bill is in a better place now where he can be with our mom and dad and he can dance forever . I Love you Bill and may you rest in piece until we meet again . Your Loving Brother  
Chris
