“ *Jackson, Adrian. I just wanted to send you two a message regarding your Father. I have worked with your dad for almost 20 years. Your dad and I also used to play Wally Ball together on the same team for 4 or 5 years we were quite good, we always took second. We traveled to Cincinnati together for a whole summer and we used to talk about our kids, he was so proud of you two. I can honestly say that your dad is the nicest man that I have ever known in my life and I am a better man for having known him. I just wanted to let both of you know how much your dad was loved and respected by the people who had the privilege of knowing him. Sincerely Patrick Quinn*

“*Doc, words can't express how deeply I feel about your loss. My love to you and your family and remember the poem about the tree you sent me when my father passed away. It was of tremendous consolation to me - We little knew that morning, that God Was going to call your name. In life we loved you dearly, In death we do the same. It broke our hearts to lose you, You did not go alone; For part of us went with you, The day God called you home. You left us peaceful memories, Your love is still our guide; And though we cannot see you, You are always at our side. Our family chain is broken, And nothing seems the same; But as God calls us one by one, The Chain will link again.*

“*Bill and Christine were terrific role models of a great marriage. It was easy to see how much they liked and loved each other - they had so much fun together. Bill was the best dad. He was the kind of dad everybody would like their dad to be. He will be missed desperately. I'm thankful for the opportunity to have known him and for the memories he has left us with. Christine, Jackson and Adrian you are constantly in my prayers, HH*
