“ *Bill was a fantastic Brother, Brother-in-law & Uncle to our children, many memories of cookouts, 'Baseball out in the field, lovingly called " Polish Baseball", with family & friends,*

you got 5 tries to hit the ball, on the 5th pitch, you ran anyways to first base...we all laughed so hard, those who couldn't bat, would have someone who couldn't run bat & they in turn ran for the person who could bat...Hilarious! He was a fantastic wood carver, of course, his little sister had none of that talent..but he gave me beautiful birds he'd lovingly carved...

You were always the best my dear brother, & sacrificed so much when our parents passed, to come home from the Navy to raise me.....I shall cherish all the memories. You & Margaret blessed us with two nieces & two nephews, also 3 beautiful great nieces....so loving he always was, My heart is saddened, to lose you, but God was with you thru your fight, & Said it was Time to Go With Him, I will look for your angel wings in the cloud formations & know you are always with each of us.

My Love to Margaret, John, Denise, Paul & girls, Annette, Steve & Elise, & Tom & Jill, He loved you all so much & we shall cherish "Our Precious Memories."

“ Bill will always be remembered for friendliness, keen sense of humor, and key member of the Macomb County Sheriff Department maintenance team for many years. He also worked at K-Mart in the evening to support his the family he adored. It was not until Bill retired did I learn of woof sculpting skills and gifted artist of wild animals. He once gave me a Bluejay and Woodpecker that confuse real ones when visiting our outdoor feeder!
RIP K of C Brother Bill.....
