“ *Lynette, Just wanted to express my condolences to you and your loved ones. I knew your husband as William, a very mild manner, soft spoken gentleman that would not hesitate to assist you when asked. He had a smile that generated warmth. When you get lonely, I want you to remember his smile too. I will keep you in prayer. Be lifted up! Sharon*

“ *Maria, I was so saddened to hear of the loss of your father. It is always so tragic to lose a parent, as I've experienced, and there are no words I can say to make it better. Please know that I'm thinking of you at this time and if you ever need to talk, you know where I am. My deepest sympathy to you . . Denise Stranahan*

“ *Lynette, please accept my heartfelt condolences. You and Chip have always had a special place in my life. I have plenty of fond memories of the early days in A-burg and the ability to visit over the past few years. Chip will be missed and we were all blessed to be touched by him in our lives. He was a fine husband, father and soldier. Chip will live on in our memories and hearts. In Christ.*
