“ I’m just seeing this now....Bill was my roommate in college, Oakland University in 1978.
I remember his him as having the warmest heart and a very good sense of humor.
We used to go to the movies as he loved Smokey and the Bandit and Animal House.

I fondly remember his love for drawing and sketching big trucks and rocking to bands like Aerosmith.

We went to see the Who at the old Pontiac Silverdome and Styx at the state fair and loved to order Pizza at night in our dorm from Maestros Pizza, Bill loved to take my car to pick it up.

Even though we lost touch after I moved to California I will always remember him as beautiful soul.

“ My condolences to the family. Death is mankind's greatest enemy, it claims the lives of those we love. Mere words cannot convey the overwhelming feeling of helplessness that can result for the death of a loved one. God promises that the dead will live again.-Isaiah 26:19
