

William A. Stimpson

September 17, 1947 - August 17, 2022

William Alan Stimpson, age 74, passed away peacefully after a long, courageous battle with Idiopathic Pulmonary Fibrosis on August 17, 2022. William was born on September 17, 1947 in Ann Arbor, Michigan to the late Barrett and Vera (nee Schneider) Beloved husband of Diane (nee Piechocki). Loving father of Matthew (Jill) Stimpson and Rachel (James) Methven. Proud grandfather of Grace, Owen, Ryan, and Lydia. Dear brother of James. William is also predeceased by brother Gerald and sister Beverly.

A visitation will take place on Monday, August 22, 2022 at the Wm. Sullivan & Son Funeral Home 8459 Hall Road (3 Blks E. of Van Dyke) Utica, from 2-8pm. Funeral service will take place on Tuesday, August 23 at 10am. Interment will be at Great Lakes National Cemetery. In lieu of flowers, donations may be made to the family in William's honor.

RP

“ *Bill was a dedicated and knowledgeable traffic engineer. He knew the engineering and developed guidelines for many of the communities he served. I had profound respect for his engineering judgement.*

Dick Beaubien

Richard F. Beaubien, PE, PTOE - August 23, 2022 at 07:56 PM

“ *My sympathies to his family. I knew and respected Bill as a traffic engineer for many years, from the time when I was at Novi and he was our traffic consultant to the past few years as coworkers. He will be missed.*

Nancy McClain - August 22, 2022 at 08:48 AM

“ I am so sad to hear of the passing of Bill. Bill first joined Birchler Arroyo Associates (now part of Giffels Webster) in 1998 and has been with us ever since. I never met a traffic engineer more passionate about his work and about getting the job done right. He always gave the extra effort, and he almost always walked into my office with a smile. He also managed to keep things light by sharing many jokes and puns to keep us laughing.

He was so proud of his family: his loving wife Diane, his son Matthew, and his daughter Rachel. He was also a proud grandfather to Grace, Owen, Ryan, and Lydia.

Bill's previous work included stints at the Federal Highway Administration's Geometric Design Lab, General Motors Research Laboratories, Alan M. Voorhees & Associates, Ada County, Idaho, National Military Command Support Center at The Pentagon, Texas Transportation Institute, and more. He had a Bachelor of Science in Civil Engineering from the University of Michigan and a Master of Engineering degree from Texas A&M. He also had a diploma from the US Army Transportation School, served on active duty at The Pentagon, and was a 2nd Lieutenant in the US Army Reserve. He authored or co-authored over 30 professional articles and/or publications. Bill's curriculum vitae is without equal in our industry. For that reason, he was sought out as an expert witness in crash cases throughout the U.S.

Bill will always hold a special place with me and others at Giffels Webster. Rest in Peace.
