

William Streetman

February 27, 1927 - January 16, 2005

Bill served in the U.S. Navy from 1945 - 1960 as a naval aviator on several aircraft carriers. He graduated Cass Technical High School, Wayne State University, Chrysler Institute of Technology and University of Detroit earning Masters Degrees in Engineering and Business and Finance. He retired from General Motors design staff in 1986 and divided his time between homes in Madison Heights and Gaylord. He was a master woodworker who loved working in his workshop making gifts for his loved ones.

“ *Bill & I were close friends at Cass Tech High School. We did not live close by, so we lost touch after graduation. The last time i saw him was at our 40th Class reunion in 1985. He was a great friend then! I live in Brighton and am recovering from heart surgery, so I won't be able to attend the wake or funeral, but I have thought of him a lot over the years. I still have a photo of him & I in our "CassTech" sweaters. It's too bad we didn't get together. My condolences to the family.*
