“ Dear Ann: I was so glad that I could lend my support to you during this difficult time, and that I was able to attend Bill's mass which was beautifully done! I will always remember the stories that my Dad Michael Masseth told us about him and Bill and how him and Bill always got in trouble when they were together. I remember when I had my Dad's 60th birthday party at my home and you both attended, and we had so many laughs. I am sure Dad will never forget that either. Now they are causing trouble again together in heaven. Just remember that buddies will be buddies for life, and Dad will greet him with open arms. They will be fine together once again. Love You! “ To Bill's Family. Sorry for your loss. It has been many years since we, my wife and I, have seen Bill, but we will never forget him. Bill and I were members of the K of C at the Rochester Council and Bill was our AAA agent for a time as well. We even stopped by his home on Emeral Lake a few times. Bill was a fine man and his death is a great loss to everyone. God Bless -- David and Margaret Dionne Lincoln, MI We our 230 miles north of Royal Oak now.

“ Mrs. Sullivan and Leslie - When I received the message from Leslie that Mr. Sullivan had passed I was so sorry and sad to hear that. Knowing your family and being friends with Leslie for approximately 35 years I remember so much of Mr. Sullivan. The one thing that stands out so vividly is his sense of humor. He used to always crack jokes and with the sweaters he used to wear he always reminded me of Bill Cosby. : He was a very nice man. I smile at the thought of Mr. Sullivan and my dad telling AAA stories up in heaven. : Thinking of you both at this time. Love - Kim

“ Dear Ann & Leslie, So very sad to hear of Bill's passing. Although I have not seen Bill in quite a while, the memories and laughter of our time working together will be with me forever. He will be in my prayers. Unfortunately, I am out of town and cannot pay my respects in person. Please accept my deep and sincere sympathy.

“ Dear Ann and family, We haven't seen you and Bill for quite awhile. It was very sad news to hear Bill passed away. Bill was special with a great sense of humor. We remember the fun we had on a Las Vegas trip together and Bill taught us how to play and win at blackjack! It worked. In Christ! Love and Ours, Virginia and John Warwinsky

“ *The Medlin's and The Sullivan's have been friends for 45 yrs. and Bill will be deeply missed by all who knew him. Ted worked with Bill since the AAA office in Utica opened. One of the things we will always remember is when at one of our home Christmas parties Bill sang for us the "Post Man Song" It was not just a funny song, but funny watching Bill deliver it!! I'm so glad I have movies of it that we can go back and relive that memory. When the Lord calls our loved ones home, he leaves a gift of memories in exchange. MEMORIES are the legacy of LOVE... Dear Friend you will be in our thoughts every step of the way. God Bless you Annie and Leslie you are in our prayers during this difficult time. Love Shirley & Ted*

“ Bill was truly one of a kind. He was always a pleasure to be around; you couldn't help but like him. He'd start a conversation with anyone in a crowded elevator and have everyone laughing in a blink of an eye. He will be missed!
