

William Wallace

May 31, 1953 - January 14, 2024

William "Tony" Wallace, age 70, of Royal Oak, passed away on January 14, 2024.

Tony was born in Detroit, but grew up in Royal Oak and graduated from Dondero High School in 1971. He married the love of his life, Wendy, on October 13, 1973. He had a career in interior landscaping and owned his own company, Tropical Habitats.

During his leisure time, Tony found joy in keeping up with sports, particularly those featuring his favorite Detroit teams. Additionally, he took pleasure in coaching sports, especially the softball teams for both of his daughters. To complete his leisurely pursuits, he enjoyed fishing, tending to his yard and reading books. Above all, Tony treasured his family and relished the moments spent playing with his grandchildren. His quick wit, silly jokes and inventive stories will be dearly missed by his family and friends.

Tony is survived by his wife, Wendy (née Bade), with whom he recently celebrated 50 years of marriage; his children: Tracy (David) Mossburger and Katie (Kevin) Keveney; his grandchildren: Natalie, Nathan, McKenna, and Allison; his siblings: Janet (Tom) Pierce and Larry (Kathy) Wallace; and many nieces and nephews.

“ Nobody could embellish and tell a story like Tony could. He made us laugh until we cried and our sides hurt! The world is a better place because you graced us with your presence.

“ So many memories of both Tony and Wendy from HS. Their girls went to school with my 2 girls. Wendy's parents were always present at the girls Dondero events. Tony was good friends with Rick And Kathy (Clark) Prested who have both passed. Maybe they are together again. My deepest sympathies to Wendy and the girls.

“ So sad to hear of Tony’s passing. He and Wendy were the best. I can still visualize Tony playing baseball with some of us on the VFW team in Royal Oak, a good athlete, and great person. Wendy, our prayers are with you.

“ I only met Bill when he brought Wendy to our class reunion luncheon last spring. He was incredibly attentive to Wendy. He was friendly and chatted with everyone. I was happy to see him again in the fall when he and Wendy came to our second luncheon at Lockhart’s. I remember him as being very sweet.
