“ I enjoyed spending time with your family on the island when I was small. Lisa (nee Sehl) and Barry were very happy to spend time with Bill and Gloria at the cottage on the island so many years ago. There were so many beautiful monarch butterflies, beautiful sunsets and things to see each evening. We enjoyed your company on the beautiful island Bill and Gloria. We enjoyed our dinner with the both of you talking about our wedding. We were blessed to have the both of you at our wedding in 1997. Our deepest sympathies to the children, Aaron, Judy, Bill, Paul and Mary. May you William and Gloria rest in peace.

“ I am very happy that I had the chance to meet Bill several times over the past few years. What a hard-working engineer/water resources professional!! He really cemented that "Westrick" name in all of SE Michigan and throughout the US with water engineers. His flame lives on in Judy, Bill, and I'm sure many others.... (lucky to have known his "kids" Bill and Judy!...and Dave!)

“ What a great loss to his family and to our community at large. I had the pleasure to work with Bill in the Saint Vincent DePaul conference at SS John and Paul. What a HEART! This man loved from the depth of his soul, to those in our community. In one of Emerson's poem, it ends with; To know even one life has breathed easier because you have lived. This is to have succeeded. Bill certainly breathed hope into the hearts of many people he touched and because of that, was truly the model of success. You fought the good fight on your journey home my friend! May your soul now, rest in peace. George E

Bill's shy smile and quick laugh will be missed. My family and I send our sympathies to his: Francie, Aaron, Judy, Paul, Billy and Mary and their respective families. If anyone ever took the express to heaven it was Bill, right after Gloria. We had many adventures with Bill. But not enough. We went to many shows with him and Gloria. But not enough. We shared laughs, meals and Sequence games. But not enough. Everyone who knew him would agree that he was a true force for love, goodness and caring for others. God took him. It was more than enough. Love you. Karen B.

“ *I had the privilege of first meeting Bill (and Gloria) about 20 years ago in a social setting. Since then we've interacted many times socially, both locally and on Florida vacations. I quickly grew to respect Bill's persona, which was fair-minded, even-tempered, and sincere. He generously devoted his time, skills and experience to a number of philanthropic causes.*
One of his passions in retirement was to hand-make themed, personal, birthday cards for his grandchildren. At some meetings of our small social group, he would enthusiastically explain his plan for the next honoree's birthday card.
He will be sorely missed among those of us who knew him.

“ I had the pleasure of working for Mr. Westrick about 20 years ago. That was my first longest running job. He was one of the most friendly people to work for. Serious when he needed to be, but always greeted me with a big warm smile. He will surely be missed. Glad I had the opportunity to know him.

“ I am very saddened to learn of the passing of Bill. I had the opportunity to work with Bill on numerous projects for mutual clients over the years, and he was one of the most professional, upbeat, genuine, humble people I have ever had the opportunity of knowing and working with. He saw the good in everyone, and his smile was contagious. I always felt better when I was around him. I am certainly going to miss his folksy, Gomer Pyle "golly gee" personality, but I feel very lucky to have worked with him and enjoyed his friendship for decades.

My sincerest condolences to all his family, his friends, and his professional colleagues. He set the bar high!

“ Bill had many unique talents. He could walk into a room full of strangers, and with a smile and genuine concern gain immediate trust. He would leave with everyone knowing him and usually becoming lifelong friends and associates. He was a dedicated husband, dad and grandfather. He could find a eloquently simple solution to most problems. I will miss Bill but am happy I could call him a friend. Ask me about his duck hunting sometime!
