“ Dolly,

I am so sad to hear of the passing of your dear very special mother who I too called "Mom" We shared so many good times, great meals, shopping for baubles and with her quick wit, lots of laughter. Her sharing of life stories, and her deep devotion to her family especially to you Dolly was so special. How she loved all her family but each grandchild added so much to her life and seemed to add more zest for life and yes she was very young at heart. I enjoyed the times that we could just sit and talk, sometimes with you Dolly but often times just sitting at a conference, the two of us talking family and she seemed to know everyone in ASPAN. Her beautiful smile and eyes would light up so bright as one more ASPAN member stopped by and called her Mom. Dolly I know your mom has had some health issues that came in the past few years and we could not be together, and I really missed her. I am saying prayers for you and all of your family as you face this loss for peace and comfort. May the life and the light that she gave to all of you continue to glow, may her life and stories be shared with the family generations and may her love go on through each of you. God Bless you all.

*Love to you,

“ *Dolly, I'm so very sorry and saddened by the passing of your wonderful mom. She always had a smile, hug and kind words for everyone. Her spunkyness and love for jewelry shopping will always remain a couple of my fondest memories of "Mom". She was a VERY special lady. I hope you take some comfort in knowing how much she was loved and how much she'll be missed.*
Love and hugs, Susan Carter.
