“ Grandma, I hope I did everything I could for Grandpa, God knows I tried very hard to take care of him the best I could when I could. I will miss him more than you know. Brad and I were talking the other day, we both thought Grandpa was 10 feet tall and bullet proof when we were growing up, that's how much security he gave us. I don't think every kid feels that way. I thank you for marrying him and sharing his life with us. He truly is our HERO! and I will never forget him because, I am an Engle and he is the very center of my soul, and you both have shaped me into the person I am today.... I Love you both Eternally, Jodi

“ Experiencing the death of a husband is so personal that very few of us can understand the grief involved. Perhaps it will help to ease your sadness if you know that Bill will be greatly missed. We will never forget him. We share in your sadness. With deepest sympathy, Earl & Pat McCauley
