“ *I remember the first time I saw Woody is right around the time they moved into the subdivision,
I was outside and I saw this Pontiac Tempest pulling in and going to their new house and I thought to myself this is going to be good another car guy.
After a while I ended up making my way over to their house to find out more about this vintage car and to my surprise I also find out he has a 1940 Ford and the neighbor friend bond was formed.
We have gotten to know Woody and his family and you could not ask for better neighbors.
Woody was kind, funny, inviting and would always take time out of his day for you.
I also admired Woody for his clean garage and meticulous lawn, secretly I was always in competition with his lawn against mine needless to say he always won :).

Woody you will be missed by everyone you have ever come in contact with.
Until we meet again my friend rest in peace and I know you will still be taking first place @ the car shows in heaven.*

“ *Dear Joy, Todd, Eric and family,
I was deeply saddened to hear of Woody's passing. What a great guy he was. So kind and considerate whenever we came around. Never ever was he in a bad mood or seemed upset with anything or anyone. I will always remember him. I know he's in a better place, but he will be greatly missed.
I pray God will give you strength and peace during this difficult time.
Much love,
Lynda and Ron Stiltner*
