

Wyatt Dean Jacobs-Carrier

May 24, 2012 - June 12, 2021

Wyatt Dean Jacobs-Carrier passed away in the embrace of his parents on June 12, 2021. He is survived by his parents, Kenneth and Lynn Carrier, siblings Joseph (11) and Lillie (7), grandparents Edward and Mary Jo Jacobs and Georgette Hatt, godparents Mary Jacobs and Christopher Adams.

Wyatt was born on May 24th 2012, to Kenneth and Lynn Carrier, joining his brother Joseph Jacobs-Turner. Shortly after, Lillie Carrier entered the family as the motivation Wyatt needed to get himself moving.

Wyatt was dealt a complex life- he often triumphed his battles with epilepsy. He has recently experienced an increase in epileptic activity and has had a several months-long battle in and out of PICU. He became a patient of Beaumont's PATCH program for palliative care and children's hospice on his 9th birthday- he lost his battle shortly after.

No matter what obstacle was in his way, Wyatt ALWAYS shared his infectious bright smile and laughter that could light any darkness. He may not have verbally expressed with words, but he would show love in the purest of ways. He brought joy to every person who he had encountered. Wyatt has been a gift and now can be free from all of life's struggles.

Rest peacefully our sweet Wyatt Dean

“ My sweet Wyatt, Nana will forever be grateful for the blessing of having you in my life. Your enthusiasm, laughter & giggles always gave me great joy and the way everyone who was lucky enough to know you couldn't help but fall in love with you. Mostly I'll miss our tender hand holds and snuggle times. Until we meet up again in heaven you dance, sing and play.

Peacefully rest my sweet angel

“ *I am so sorry to hear of this news. Wyatt was one of a kind, who's laugh was contagious. His smile lit up a room. I always looked forward to days of going into the classroom to work with him. I will always remember him and the lasting impression he put on my heart. Mom and Dad you are in my thoughts and prayers. Kristine Tillman, Wyatts school Physical Therapist.*

Silence is a very powerful tool and some of us live our whole life and not say a word, but they are the ones that make the BIGGEST IMPACT IN IT.
